Further hearings may be scheduled in April as required.

Public hearings will be held by appointment only. Anyone wanting to make an oral submission or to give evidence at these hearings should contact the Inquiry's Secretariat, if they have not done so already, to register their interest in appearing before the Board of Inquiry for this purpose. Anyone making such a request will be contacted by the Board to confirm whether or not they have been granted a hearing.

The Board of Inquiry hearings are open to the public. However, due to the subject matter and content of evidence of some witnesses, the Board will need to close the hearings from time to time, which will mean excluding all persons other than the witness. This is so particular evidence can be heard confidentially in closed sessions or 'in camera'.

For further information, please see [Making Submissions to the Inquiry](#).
